Dear Parent/Guardian,

Federal law requires the New York City Department of Education to provide names, addresses, and telephone numbers of high school students to military recruiters and institutions of higher education that request this information. While we are committed to protecting the confidentiality of our students, we must comply with the law. Unless you notify the Department of Education **in writing** that you do **not** consent to the release of your child's information, we must disclose your child's name, address, and telephone number to military recruiters and institutions of higher education that request this information about our students.

If you do **not** want your child's name and contact information disclosed to military recruiters and institutions of higher education, fill out the form below and return it to *Tracie Fields, Pupil Accounting Secretary*, by **Monday, September 23, 2019**. Please note that you may withhold your child's information from military recruiters, institutions of higher education, or both. If you do not return the form, we are required to release your child's contact information to military recruiters and/or institutions of higher education.

Please be aware that you can change your options at any time. If you do not submit the form now, you may still opt-out at **any time** during your child's school career and decide not to release your information. Please advise Dimitri Saliani, Principal, **in writing**, if you change your decisions at a later date.

Sincerely,

Dimitri Saliani
Principal
