NETWORK ACCOUNT AND ACCEPTABLE USE CONTRACT

I understand that my ERHS school accounts are to be used only by me for my school work. I will not share my account information with any other student. I will follow all procedures and school policies when I use this account space.

Network Account

I understand that my network account username is the first letter of my first name, the first three letters of my last name, and the last four digits of my student I.D. number. My password is my whole student I.D. number and may not be changed. It is my responsibility to back up my work at the end of every school year. Assistance is available at school for this.

If I feel there is a problem with my network account, it is my responsibility to speak with my advisor to resolve the issue.

Email Account

I understand that my school email account (erhsnyc.net) is the first letter of my first name, my last name, and my graduation year. I understand that all of the above standards for appropriate use of the network account also apply to my email account.

*On the Parental Release Documents Signature Page, please sign and date next to **Network Account and Acceptable Use Contract** to signify that you and your child have read and discussed, and understand and agree to the information provided in the document.*
